

View Internet HISTORY

When you surf the Internet, your web browser collects information about the sites visited.

Update HISTORY Settings

- Select **Tools – Internet Options**

Internet Options

This dialog box allows you to set the number of days of Internet HISTORY you save on the computer.

- Increase the number of days of History by increasing this number

Clear History

- This is also where a child may clear the Internet History.

View History

To see the History Bar,

- Click on the History Icon
- or
- Press the **CTRL** (control) and **H** keys at the same time.

Select the day, the site, and then the page you want to view.
