History Day
Library Research

Student Name: _____

Research Topic:

Before January 8th , 2007, please visit four regional libraries and research your topic. Be sure to take as many notes as you can. Use this time to find both primary and secondary resources on your topic. Please ask the staff at the library to sign this sheet to verify that you researched your topic at their library.

You are required to attend three different libraries. Extra credit will be given to students who use multiple libraries and/or frequently use those libraries in the community.

If you have any problems with this assignment, please speak with Mr.Smith. Please do not include Housel Library time spent during class. I do NOT expect you to pay fees to join any library. Just look around.

We have many regional libraries: For example: Housel Middle School, Prosser High School, Prosser Public Library, Richland Library, Kennewick Library, Pasco Library, Grandview Library, Benton County Records, Prosser Record Bulletin, Hanford Library, WSU Tri Cities Library, WSU Pullman Library.

Library	Date	Verification Signature
You may attach an extra piece of paper to this form as needed.
